Re: Energetic Tank, Inc. as Owner of the M/V Alnic MC for the exoneration from or
Limitation of Liability, 1:18-Civ.-01359-PAC

Dear Judge Crotty:

I write concerning the discussion of the citizenship of the claimants my firm represents in relationship to the request for a jury trial based on diversity of citizenship.

During oral argument, I believe I mistakenly said that all of my clients *were* U.S. citizens. What I intended to say and should have said is that "I believe all of my clients are U.S. citizens."

Although I am still not back to the office due to my illness, I am in the process of confirming citizenship of all of our firm's individual claimants at the time of the filing of their claims. I will thereafter identify to the parties, and the court, the citizenship of each of our claimants. If I was wrong that "all" of them are citizens, I want to correct that erroneous statement.

Respectfully yours,

HOFMANN & SCHWEITZER
